RE: RD Training Systems, Active Agent Alliance Conference, Waco, TX

Hi Rand, just wanted to thank you for all the information, we at Mike Bowman's office are on board just wanted to let you know that we are all (9 of us) watching your webinars together and sharing ideas. So today when you said 120 signed on, you had an additional 9 on top of that. We are all getting together and sharing ideas, not being raised in the technology era we are slowly but surely getting our act together. The information is wonderful and hopefully we will grasp everything and take off like gang busters, this program is phenomenal and hope to be up there with one of these days.
