RE: Active Agent Alliance Conference, Waco, TX

Hi Rick,

I attended the seminar and it was fabulous.

I worked on Stuart Sutton's team for 2 years and really learned a lot in those 2 years. I have a business degree and had been doing Human Resources for 20 years when I did the jump to Real Estate. After working on Stuarts' team for 2 years, I moved from Austin to San Antonio to help out my elderly parents. So new market area required a different plan of attack from my Austin SOI marketing

Stuart is the reason why I paid the money to attend the seminar. I not only got to hear Stuart again about his Postcard marketing, I also heard Leslie McDonnell.

Leslie did a fabulous job and I am encouraged and inspired to put a "system" together. Her talk and materials will be a solid foundation for growing a successful business in San Antonio. Her down to earth realistic perspective hit a home run for me.

I am looking forward to using her materials and suggestions.
